NOT THERE!

- **Used by Every Industry**
From truck driving companies to investment banks, jobs in every industry attract applicants from every background
- **Inexperienced Candidates**
Approximately 1-2% of audience has healthcare sales experience
- **Time-consuming Posting Process**
Multiple screens and required fields make posting jobs time consuming
- **Cost Prohibitive**

- **Record of Success**
One-third of our job posting customers have been posting jobs on MedReps more than 5 years. Repeat customers prove MedReps works.
- **Active, Engaged Users**
Our membership fee ensures MedReps users are actively seeking new opportunities and highly engaged in their searches.

NOT THERE!

- **Low ROI for Time and Money**
Filtering millions of users from every industry takes time, and it costs money to contact anyone outside of your network. That's quite a gamble when you consider these odds...
- **2 in 10 Users are Active Job Seekers**
The majority of users on LinkedIn are happily employed.

POST THERE!

- **Targeting Salespeople**
Exclusively focused on medical sales and marketing jobs
- **More Industry Sales Jobs Than Any Other Site**
- **Advanced Search Filters**

- **Right Industry, Wrong Niche**
Medical sales jobs appear alongside jobs in R&D, Accounting, IT, etc.
- **Fewer Linked Industry Sales Sites**
ZipRecruiter posts available jobs to multiple job boards, making it difficult to engage with the right candidates.
