

MedReps

MedReps hosts the largest community of medical sales professionals on the web. Together, job posters and high-quality candidates quickly connect to make career goals happen.

Why MedReps?

The MedReps community is bursting with sales professionals who have:

Our members' experiences are shaped by many exciting career journeys.

Our candidates are experienced in:

Let our customers do the talking!

"When we need a candidate with prior experience, MedReps is usually going to be the best source. Whether it's posting or using the database, we can specifically find a candidate with a strong device background."

Lisa McCallister, Recruiting Consultant, SPHR CONMED

See the CONMED Case Study

"The quality of candidates on MedReps is definitely better. A majority of our managers are familiar with MedReps so they are more confident in candidate slates knowing that the job has been posted on MedReps."

Candice Richards, Manager, Talent Acquisition at Teva Pharmaceutical

See the Teva Pharmaceutical Case Study

"I loved the quality of the individual applicants as well as the quality of responses. With MedReps you typically get candidates that are already in the industry. It's just a different caliber of candidate."

Stacey Baker Senior Recruiter, MicroDental
